### **THE CLIFFS ANNOUNCES NEW RECORD-BREAKING SALE ON LAKE KEOWEE**

*Cliffs Realty Sells Exceptional Lakefront Home for \$6,267,809,  
Overtaking Brokerage's Previous Highest Sale Price from July 2022*

**TRAVELERS REST, S.C. November 8, 2022** – Cliffs Realty has announced the sale of 107 Waterfern Court, a stunning residence from luxury custom home builders, Dillard-Jones, which has sold for \$6,267,809. Located in the exclusive enclave of The Landing at The Cliffs at Keowee Springs – and listed by Cliffs Realty – the home was sold by Zack Thomas, the firm's top producing agent in The Lake Region. This new sale marks the highest transaction ever recorded on Lake Keowee, narrowly breaking a record previously set by Cliffs Realty's sale of a lakefront home from Cliffs Builders, The Cliffs' innovative construction program, this past July.

*"This incredible home is designed to take complete advantage of its unmatched setting on Lake Keowee's pristine shores. Dillard-Jones is a member of The Cliffs' Preferred Builders program and is known for the uncompromising quality and flawless craftsmanship of every home they build,"* said Lauren Buckland, Director of Sales at The Cliffs.

The 5,991 heated square foot, 5 bed, 5 bath, 2 half bath home is sited on a picturesque lakefront homesite located on the main channel of Lake Keowee with unimpeded mountain and sunset views. The cedar shingle mountain lake style residence features exceptional amenities including a wine cellar, gym, pool, and an indoor/outdoor bar to take full advantage of the surrounding landscapes. The Home was designed by Four Square Studios with interiors by Tribus Interior Design. A membership to The Cliffs was acquired with a separate purchase, giving the new owners access to all seven communities.

Set along the sparkling shores of Lake Keowee, The Cliffs at Keowee Springs marries relaxed lakefront living with the urban energy of neighboring Clemson, SC. Home to The Beach Club and Surf Shop, there are endless ways to partake in a variety of watersports and explore the picturesque coves of Lake Keowee. The community's Tom Fazio Signature course was designed for the whole family and players of all skill levels with three six-hole loops and an accompanying set of family tees. The Bistro, located right at the center of the course, is the perfect place to grab a snack or refreshment while taking in the surrounding views. While Keowee Springs is ideal to take in the beauty of the Carolina mountains from the water, a multitude of ribboning hiking trails throughout showcase dazzling lake and mountain views from the land.

The up-and-coming Lake Club, from award-winning Lake|Flato Architects, is set to open in late 2023 and will be a multi-purpose complex with a duet of swimming pools, racquet courts, and fitness center. Overlooking the golf course, and with proximity to the Beach Club, the Lake Club

is destined to become the social heart of The Landing. The Clubhouse at Keowee Springs, conceptualized by the acclaimed architectural firm of Hart Howerton, will provide the community with a long-anticipated clubhouse of its own. Composed of open-air breezeways and interconnected pavilions that house a variety of activity areas – including a dining room, a bar and lounge, a golf shop, and a wellness center – the building was designed to gracefully integrate into its natural setting and is also slated to open next year.

Lake Keowee boasts 300 miles of pristine shoreline on 18,500-acres and enjoys an enviable climate for year-round, lakeside living. From serene shores and sandy beaches to glistening warm water, Lake Keowee offers endless recreational opportunities while offering panoramic views of Lake Keowee against the rolling heights of the Blue Ridge Mountains.
