Limited release features high elevation homesites with sweeping views

(TRAVELERS REST, S.C.) – [The Cliffs](#) announced today the release of 11 new homesites at Southridge at The Cliffs at Walnut Cove. Located within minutes of Asheville and nestled in the Blue Ridge Mountains, the new enclave offers a mountain refuge atop one of the highest peaks at The Cliffs at Walnut Cove.

The newly released homesites have been held in reserve for more than a decade and offer predominately southeastern views of the Blue Ridge Mountains at 2,600 to 2,900 feet elevation, and span between 1.14 – 10.55 acres.

“We are pleased to announce this highly-anticipated, exclusive release of 11 new homesites at The Cliffs at Walnut Cove,” said Lauren Buckland, director of sales and broker-in-charge at The Cliffs. “Each homesite offers an exceptional build opportunity with a private club lifestyle as its backdrop.”

Inspired by the ageless villages of Europe, The Cliffs at Walnut Cove is nestled in a lush valley and bordered by the Pisgah National Forest and Blue Ridge Parkway. The private club community features a Jack Nicklaus Signature golf course, an expansive club village with the newly renovated Tavern and Golf House, an impressive wellness center, nearby hiking trails, and Creekside Farm, a community supported agriculture program providing members with fresh, seasonal produce.
